1. This is a new day in the heavenlies, the heavenlies, the heavenlies that yea you are in, you are in, you are in; a new day in the heavens that now you are in and praise the living Savior, I/we are one. There is none/no other. I am one and I Am: understood, coming at the crack of dawn, before; and all is well with My soul and more, yours, in whom I am doing a/the new thing. Praise the Lord. Praise the Lord. Praise the living Savior, of one not, of nations and lambs and nations of lambs who know now the Lord speaketh and I/they are one.

2. **At all cost you take all flack.** You suffer injury nigh unto death not. The smell of smoke not on you though through the furnace you come/came/come again; nigh unto Me in ways unknown heretofore but documented carefully by My observer not, My Me who in Me is Me, of Me personified and understatement. I love you.

3. A new thing in the heaven/heavenlies and unto you this day a child/king is born in the city of David not, Tulsa, Tulsa kingdom not, Mine; My Me, My Me, Me is and born again I am and I see the host of heaven stand and say alleluias to the lamb slain who drank the cup and suffered not not, who suffered bled and died and now resurrects unto Me, a new thing, becoming a man not, becoming a woman not, a man/woman compassed about by a woman giving birth to Me; see, receive. You are him/it. I love you. Compassed, birthed, reigning in meekness; My stead not, Me in the flesh/mind, personification of Me empirical.

4. This is just the beginning as into the center I see/you bring I; you being in the center, all in all not, so many/much. I love you. Into the center you come/came and alight with the deftness/discernment of only Me, Me having/are brought forth for all the world to see. Me first, you second, millions following. Hallelujah praise the Lord. Glory hallelujah amen, forever and ever to the lamb slain bringing forth the Father of light,s in whom is no shadow or variableness of turning. Glory hallelujah. Amen.

5. Heaven reigns. Zion rejoices, changes, into the magnitude/magnanimous, beauty/power of one/Me. I love you unafraid, documenting all, unafraid of the flack that penetrates cannot your soul, yours Mine. I love you.

6. I am doing a new thing, prototype you are, a series of firsts; your name, position, title holder; for so soon you implore the vessels of Me to operate in the fullness of the/our Father who is one with the masses not, elite not; forsaking all others, all.
See, feel, become.
Delay not My appearing in My saint not, sinner not, freed by grace and accomplishing My purposes for/in/throughout eternity and not-afraiding My people of the religionists repercussions who now rant and rave, some; delight/alight, some; yet knowing, seeing, realizing, recognizing, that all changes.

7. The simpletons can go home; simpletons not, the meek; meek meek'd with goodness, holiness, righteousness; and Ted/reader-hearer; power, grace and glory; submitted surrendered drink offering required.
Amen.
Surrender to your greatness/royalty/power/blessing/position: familyhood/Fatherhood, Sonship royal'd into Father/Me/one, you now and millions following in meekership with confidence and significant becoming. I love you.

8. Above all else.
A many splendor'd thing, Me in the flesh, explicitly empirical having been brought forth by a woman compassing a man and all out in the open transparent, Trinity understood, perfection, sinless; incarcerated no longer; death understood and defeated and once in Me not, now millions and billions follow; yes billions, for I am not small and brethren we have are in many/distant, places/sierras. I love you.

9. You take the blame. You accept the shame. You shower neither on anyone.
You bless and praise Most High Father of lights and water, fire, cloud, smoke, all understood and covenant between Me/thee complete, completing many brethren.

10. Smile not, laugh not. Mockers deride but scorning themselves only in the process. Judge not Mine anointed, yea, in My/your mirror, with the harshness of satan, but yield to the sword not, the meekness of a man bringing forth the Father of lights.
Amen and amen.

11. Your power reigneth Mine/supreme over the would-be rulers-supreme who you can walk through/over in light piercing knowledge, only of Me. The kingdom of heaven before you; open land/frontier, nothing held back, nothing reserved, yours to explore and adventure in forever'd. Amen. Glory hallelujah. Amen.

Glory hallelujah. Amen.
Glory hallelujah. Amen.
Hallelujah glory. Amen and amen.
Glory to the lamb slain.

Glory to the slain lamb now arising with healing in our wings and taking the bread of heaven/table of Me, to the bread of heaven, table of one not, My table alone High Priest, opening My table to all who will.

12. See, feel, become. Deride not that which you understand not.

13. Forsaking all, they followed him.
They abode with him and saw that it/he was good.

14. My servant heareth and mocketh not but follows the words of the savior.
In him is no shadow or variableness of turning. Amen.

15. In Me, in you, tonight we fuse. Fissions fissured is together resolved into only Me, thee, you Ted, Theodore Cottingham, promised child, among your brethren raising no equal, equal are, and surrendering, excelling you. Thank you for joying in.
I love you.
